SUBJECT: VISA INELIGIBILITY ON FOREIGN POLICY GROUNDS -
DAYTON OBSTRUCTERS

Classified By: DCM Judith B. Cefkin. Reasons 1.4 (b) and (d).

11. (U) Action request: see paragraph 4.

12. (U) On July 10, the High Representative Miroslav Lajcak dismissed Mr. Dragomir Andan from office for activities deemed to obstruct implementation of the Dayton Agreement. Andan is a citizen of Bosnia and Herzegovina (BiH) and the former Director of the Republika Srpska (RS) Police. Prior to his removal, he was Deputy RS Director of Police Training.

The High Representative ordered his removal from office at the request of and in consultation with the International Criminal Tribunal for the former Yugoslavia (ICTY) in order to prevent him from being able to use his position to continue as a member of the war criminal support network. Specific information is available on the OHR website (<http://www.ohr.int>).

13. (C) On July 9 the European Union (EU) agreed to increase to 42 the number of individuals from the former Yugoslavia who are prohibited from entering the EU because they continue to be members of the war criminal support network. OHR, in the wake of the Adnan removal, provided us with a copy of the complete EU visa ban list. We compared that list with our current 212(f) list and found that 25 of the individuals on the EU list are not currently listed 212(f) in CLASS. In light of the EU decision, we believe the Department should designate these individuals 212(f). Post has sent CA/VO/L/C via email a copy of the list, which is embargoed until it becomes official on/about July 23, when the CoE President signs the Council Decision and it is published in the CoE Gazette.

14. (C) ACTION REQUEST: Post requests that the following individuals be listed in CLASS as ineligible under 212(f) (obstructing Dayton Agreement implementation). Place of birth is given as the current territory that was part of the former Yugoslavia.
